2024-2025 Sponsor Packet

Dear Fellow Community Member,

Imagine a competition of ideas, imagination, robotics, and engineering that inspires society's future STEM leaders.

Pirate Robotics is the *FIRST*® Robotics Team at West Carrollton High School. *FIRST*® teaches valuable skills needed in both business and engineering. Not only must the students design and build a robot, but they must also market the team, manage a budget, and invent strategies for competition.

Each year, our students design, build, and program a brand-new robot. We compete with hundreds of teams (some travel from around the world!) in competitions that span 3 days.

Pirate Robotics has qualified for the World Championships three times since our rookie year in 2016. We have also won the team spirit award, rookie all-star award, 2018 Greater Pittsburgh Regional, and finished as finalists in the 2019 Miami Valley Regional.

We are incredibly grateful to individuals and businesses who sponsor our team. Without sponsors, this program would not exist. We depend on our community to donate financially, volunteer time as professional mentors, and donate supplies.

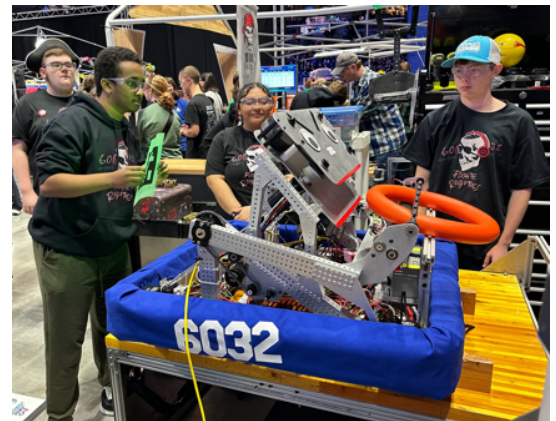

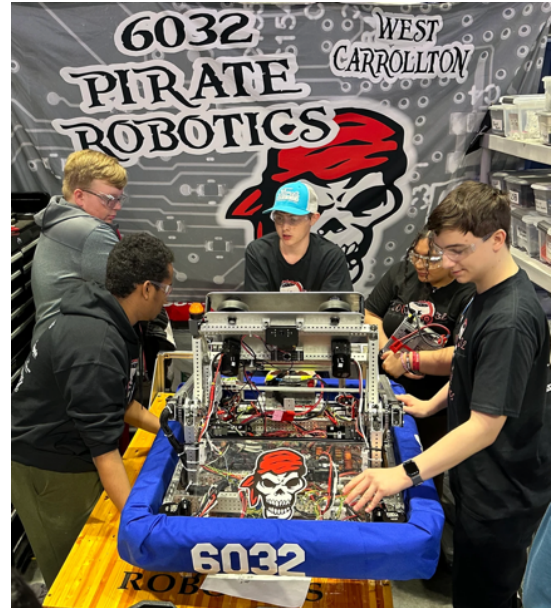

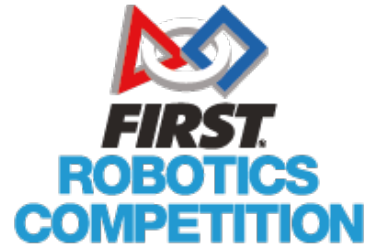

Would you please consider sponsoring Pirate Robotics?

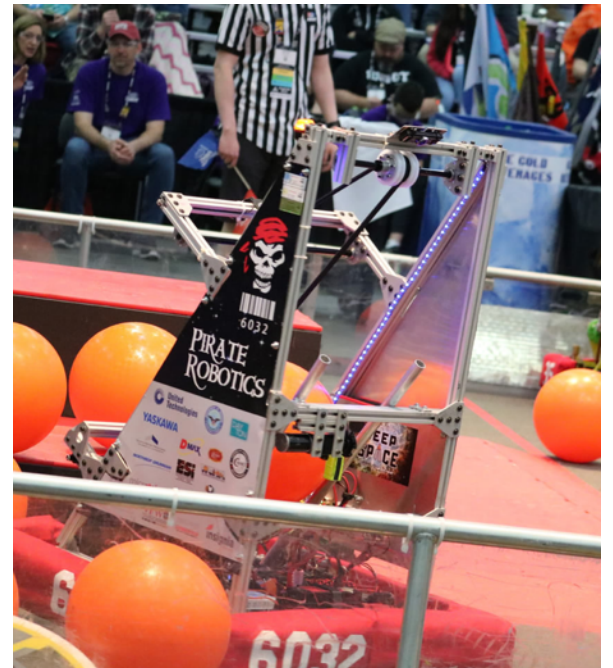

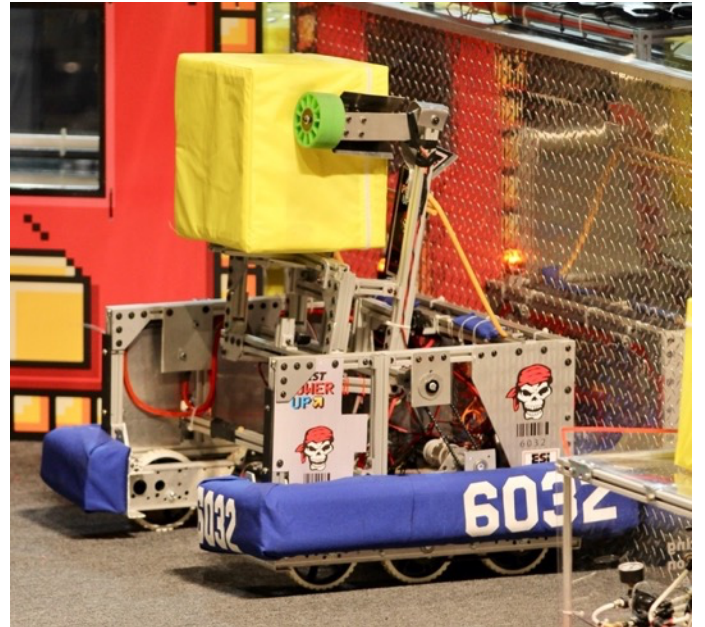

In this packet, you'll find details about our team and budget for the 2024-2025 season. Even if you are unable to become a financial sponsor, please consider supporting us by volunteering as a mentor or making an in-kind donation.

Thank for your support...and as always, *Go Pirates!*

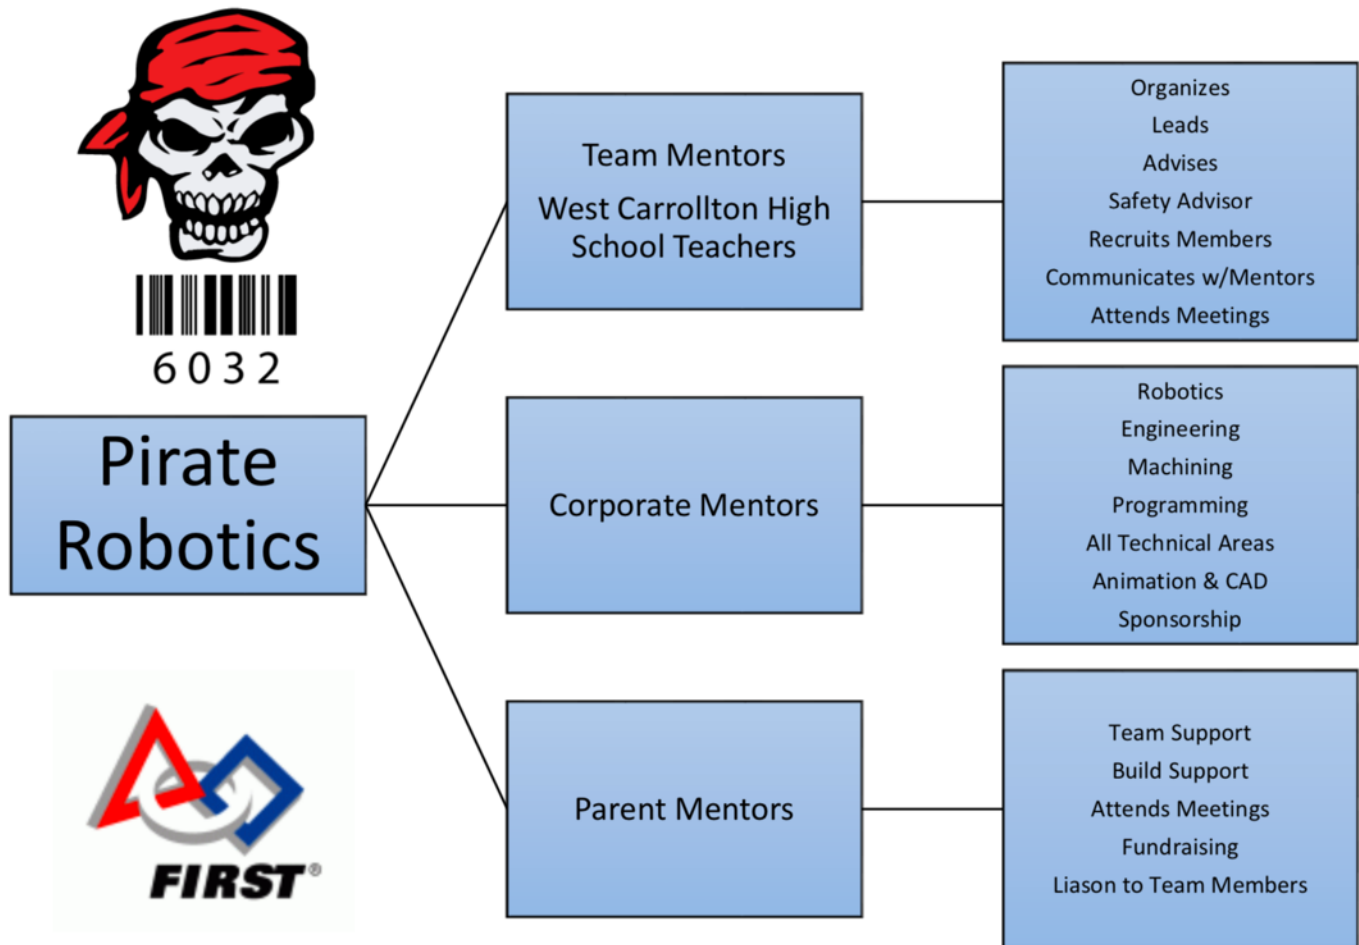

Sincerely,

Pirate Robotics Team 6032

Team Structure

Professional Mentors are critical to *FIRST*® Robotics Competition teams. Our students work side by side with engineers to learn the skills they need to make Pirate Robotics successful.

In addition to our WCHS Faculty Advisers, our professional mentors include...

David M.

- Electrical and Controls Engineer

Joe N.

- Mechanical Engineer (and *FIRST*® Alum!)

Michael N.

- Mechanical Engineer

Norb S.

- Civil Engineer & Manager

Budget: 2024 – 2025 Season

Minimum Budget:

<i>Cost</i>	<i>Item</i>
\$6,000	Registration for one competition (local), includes Kit of Parts
\$3,000	Registration for a second competition (potentially out of state)
\$4,500	Hotel & travel expenses for second competition (3 nights)
\$7,000	Robot parts, tools, and workshop materials
\$500	Marketing & outreach materials
\$21,000	Total

If We Qualify for World Championships in Houston:

<i>Cost</i>	<i>Item</i>
\$5,000	Registration for World Championships
\$5,000	Hotel for Houston (3 nights)
\$10,000	Total

All donations to Pirate Robotics #6032 are tax deductible as a charitable contribution.

Sponsorship Form: 2024 - 2025

Pirate Robotics is a *FIRST*[®] Robotics **Competition** team at West Carrollton High School. All funds donated will be used specifically for students within this team.

Club Advisers:
Joe Neyhart, piraterobotics@wcsd.k12.oh.us
Sarah Reynolds, sreynolds@wcsd.k12.oh.us
Emily McGuff, emcguff@wcsd.k12.oh.us

Individual Sponsorship

- \$500 Pirate Robotics Crew
- \$100 Platinum
- \$50 Gold
- \$25 Silver
- \$10 Bronze

Total: _____

Business Sponsorship

We graciously display business logos on our team t-shirts and our robot!

- \$5,000 Title Sponsor
- \$2,500 Platinum
- \$1,000 Gold
- \$500 Silver
- \$100 Bronze

Total: _____

Primary Contact Name: _____

Address: _____

Phone: _____

Thank you for your support!

Please make checks payable to **West Carrollton High School**

Address: Attn: Robotics, West Carrollton High School, 5833 Student Street,
West Carrollton, OH 45449

All donations to Pirate Robotics can be deducted as charitable contribution.
